SUBJECT: Dellar Trust Property

SUMMARY OF COMMUNICATION:

Spoke with Marty Strauss of City of Sacramento concerning deliverables for the Dellar Property in accordance with C&A No. R5-2008-0705. Email chain prompted phone calls. Staff requested the Dischargers (City of Sacramento and Dellar Trust) meet the intent of Item No. 1 requiring a Final Closure Plan that includes multiple elements. This document was due 15 August 2008 and staff has not received it as of March 2009. City is very concerned that the Dellar Trust is not pulling their weight even though they are named on the order. The Trust lets the City do the required work but according to M.S. has not been helping either financially or intellectually. Kleindfelder is their consultant but City still complains. The City is litigating against the Dellar Trust but has been put on hold during this period. Dellar Trust willing to lay low knowing the City wants to stay in compliance. Recommended M.S. talk with Jerry Hicks followed up with Jeff Scharff to work out. M.S. doesn't think anything would come of it until we get back to the table.

CONCLUSIONS, ACTION TAKEN OR REQUIRED: Talk with Senior; arrange meeting between Dischargers.
